

TERMS AND CONDITIONS

1. Pick up times are from 9:30 onwards, expecting to return late afternoon. Passengers must return to the bus by the stated return time. Due to the restrictions on the amount of hours the drivers can work, the company cannot guarantee to wait for anyone who is late for the return journey.

2. Unless stated, admission charges, refreshments and meals are not included in the fare.

3. Fares must be paid at or prior to the time of travel.

4. Order of Malta Dial-a-Journey (at its discretion) may charge a cancellation fee if a booking is not cancelled before 4pm on the day prior to travel.

5. Order of Malta Dial-a-Journey Ltd reserves the right to cancel any excursion if passenger numbers are insufficient to make the journey viable.

6. Whilst assistance will be given, passengers' luggage and personal effects are their own responsibility and the company cannot accept responsibility for articles left unattended at any time.

7. Passengers are notified that the use of feeder services may occur and delays may be experienced.

8. Passengers should note that while drivers duties include assisting you board and alight the vehicle, it is not their job to escort passengers at venues

9. Upon arrival at destination, there shall only be one drop off point.

Please note:

In order to make these excursions viable, we may operate feeder services that means a number of minibuses will collect passengers and transport them to a central point to meet up with another vehicle to then travel to your destination. This may have an impact on the final set off time

This may be inconvenient or impractical for a small number of passengers, and you should be aware that there is the possibility that you may be inconvenienced, and we have taken their comments on board and are seeking to improve the meeting arrangements. However please be aware that there may be on the bus for a lengthy period. Where possible a member of staff will phone you on the day prior to travel and inform you that this will be the case. **01786 465355.**
